- (a) All registered trainees, real estate appraiser licensees, and certificate holders shall, upon the renewal of their registration, license, or certificate in every odd-numbered year, present evidence satisfactory to the Board of having obtained continuing education as required by this Section. Trainees and appraisers who initially registered with the Board after January 1 of an odd-numbered year are not required to show continuing education credit for renewal of their registration in that odd-numbered year.

(b) Each trainee, licensee, and certificate holder who must complete continuing education pursuant to Paragraph (a) of this Rule shall complete 28 hours of continuing education before June 1 of every odd-numbered year. Except as provided in Paragraphs (g) and (h) of this Rule, the education must have been obtained by taking courses approved by the Board for continuing education purposes, at schools approved by the Board to offer these courses. Such education must relate to real estate appraisal and contribute to the goal of improving the knowledge, skill and competence of trainees, and licensed and certified real estate appraisers. There shall be no exemption from the continuing education requirement for trainees or appraisers whose status has been upgraded to the level of licensed residential, certified residential, or certified general appraiser since the issuance or most recent renewal of their registration, license, or certificate, and courses taken to satisfy the requirements of a higher level of certification shall not be applied toward the continuing education requirement. Trainees, licensees, and certificate holders shall not take the same continuing education course more than once during the two year continuing education cycle.

(c) Each appraisal continuing education course must involve a minimum of three and one-half classroom hours of instruction on real estate appraisal or related topics such as:

- (1) the application of appraisal concepts and methodology to the appraisal of various types of property;
- (2) specialized appraisal techniques;
- (3) laws, rules, or guidelines relating to appraisal;
- (4) standards of practice and ethics;
- (5) building construction;
- (6) financial or investment analysis;
- (7) land use planning or controls;
- (8) feasibility analysis;
- (9) statistics; or
- (10) accounting.

The trainee, licensee, or certificate holder must have attended at least 90 percent of the scheduled classroom hours for the course in order to receive credit for the course.

(d) Each trainee, licensee, and certificate holder who is required to complete continuing education pursuant to Paragraph (a) of this Rule must, as part of the 28 hours of continuing education required in Paragraph (b) of this Rule, complete the seven hour National USPAP update course between October 1 of an odd-numbered year and June 1 of an even-numbered year, as required by the Appraiser Qualifications Board of the Appraisal Foundation, or its equivalent. USPAP is updated every even-numbered year, and each trainee, licensee, and certificate holder shall take the most recent USPAP update course prior to June 1 of every even-numbered year.

(e) A trainee, licensee, or certificate holder who elects to take approved continuing education courses in excess of the requirement shall not carry over those hours into the subsequent years any continuing education credit.

(f) Course sponsors must provide a certificate of course completion to each trainee, licensee, and certificate holder successfully completing a course. In addition, course sponsors must send directly to the Board a certified roster of all who successfully completed the course. This roster must be sent within 15 days of completion of the course, no later than June 15 of each year. In order to renew a registration, license, or certificate in a timely manner, the Board must receive proof of satisfaction of the continuing education requirement prior to processing a registration, license, or certificate renewal application. Proof of satisfaction shall be made by receipt of a roster from a school or course sponsor showing the courses completed by the applicant or by submission of an original certificate of course completion. If proof of having satisfied the continuing education requirement is not provided, the registration, license, or certificate shall expire and the trainee, licensee, or certificate holder shall be subject to the provisions of Rules .0203(e) and .0206 of this Section.

(g) A current or former trainee, licensee, or certificate holder may request that the Board grant continuing education credit for a course taken by the trainee, licensee, or certificate holder that is not approved by the Board, or for appraisal education activity equivalent to a Board-approved course, by making such request and submitting a non-refundable fee of fifty dollars (\$50.00) as set out in G.S. 93E-1-8(d) for each course or type of appraisal education activity to be evaluated. Continuing education credit for a non-approved course shall be granted only if the trainee, licensee, or certificate holder provides satisfactory proof of course completion and the Board finds that the course satisfies the requirements for approval of appraisal continuing education courses with regard to subject matter, course length, instructor qualifications, and student attendance. Online courses shall satisfy the provisions of 21 NCAC 57B .0603(6). Appraisal education activities for which credit may be awarded include teaching appraisal courses, authorship of appraisal textbooks, and development of instructional materials on appraisal subjects. A maximum of 14 hours of continuing education credit may be granted in each continuing education cycle for participation in appraisal education activities. Trainees or licensed or certified appraisers who have taught an appraisal course or courses approved by the Board for continuing education credit shall be deemed to have taken an

equivalent course and are not subject to the fee prescribed in G.S. 93E-1-8(d), provided they submit verification satisfactory to the Board of having taught the course(s). A trainee, licensee, or certificate holder who teaches a Board-approved continuing education course may not receive continuing education credit for the same course more than once every two years, regardless of how many times he or she teaches the course. Requests for equivalent approval for continuing education credit must be received before June 15 of an odd-numbered year to be credited towards the continuing education requirement for that odd-numbered year. Equivalent approval shall be granted only for courses that are 7 hours or longer, and shall only be granted for a minimum of 7 hours.

(h) A trainee, licensee, or certificate holder may receive continuing education credit by taking any of the Board-approved precertification courses, other than Basic Appraisal Principles and Basic Appraisal Procedures, or their approved equivalents. Trainees, licensees, and certificate holders who wish to use a precertification course for continuing education credit must comply with the provisions of 21 NCAC 57B .0604.

(i) A licensee or certificate holder who resides in another state, is currently credentialed in another state, and is active on the National Registry in another state may satisfy the requirements of this Section, other than the seven hour National USPAP update course requirement in Paragraph (d) of this Rule, by providing a current letter of good standing from another state showing that the licensee or certificate holder has met all continuing education requirements in the other state. A licensee or certificate holder who became licensed in North Carolina by licensure or certification with another state and now resides in North Carolina may renew by letter of good standing for his or her first renewal as a resident of North Carolina only if the appraiser moved to North Carolina on or after January 1 of an odd-numbered year. If an appraiser was a resident of this state before January 1 of an odd-numbered year, the appraiser must comply with the requirements of this section regardless of how the license or certificate was obtained.

(j) A trainee, licensee, or certificate holder who returns from active military duty on or after February 1 of an odd-numbered year shall be allowed to renew his or her registration, license, or certificate in that odd-numbered year even if the required continuing education is not completed before June 1 of that year. All required continuing education must be completed within 180 days of when the trainee, licensee, or certificate holder returns from active duty. Failure to complete the required continuing education within 180 days shall be grounds for revocation. This Rule applies to an individual who is serving in the armed forces of the United States and to whom G.S. 105-249.2 grants an extension of time to file a tax return.

The application is available on the Board's website at www.ncappraisalboard.org.
